

Agricultural Competitiveness Green Paper Submission

Date submitted

08/12/2014

Name of Organisation/Individual

David Taylor

What are the top policies from the Green Paper that the Government should focus on in the White Paper and why?

Drought Relief and Multi-Peril Insurance. MPI is an excellent strategy for farmers to manage their own risk and reward, whilst also allowing them the security to make good farming practice decisions.

What policies from the Green Paper don't you support and why?
